Best Solar Control **Removable Solar Inserts** *There when you need them – not when you don't!*

- ☀ **Removable Solar Inserts** offer seasonal sun relief while maintaining your view. By using high-quality, interior, sun-control fabrics, **Solar Inserts** diffuse light while reducing heat, glare and fading caused by UV rays — making any room more comfortable.
- ☀ Remove and store the inserts as needed; they are installed with screws or Velcro for easy removal (by you or by us!).
- ☀ Designed to fit *your* windows, including most specialty shapes.
- ☀ Custom-built frames of quality hardwood (maple) are stained or painted to match your specifications.

*Removable Solar Inserts are custom-made in Blue Ridge, GA, (patent-pending) and guaranteed.
